[\\$15 nonmembers](#)

Want to learn what a 203K loan is? Do you know how to use this product to grow your business? Do you know how this type of loan can be used to “save” transactions? In this edition of ECAR’s “59 Minutes” program you will learn what qualifies for a 203K loan, what are the loan limits for our area, how you can market this product and your properties, and most importantly how to increase your market share and close more transactions! Don’t miss this session! [Flyer](#)
