All individuals, regardless of race, color, religion, sex, handicap, familial status, or national origin must be guaranteed the right to own or rent any property they can afford. Because the potential for discrimination exists, Realtors and property owners cannot afford to be ignorant about the requirements of fair housing laws. Racial stereotyping and prejudice must be overcome, and ignorance must be replaced with knowledge of what fair housing laws demand. Learn how to respond appropriately to questions that could lead to liability for you. Did you know that you can be fined upwards of \$10,000 for your first conviction, and the potential loss of your license? Attend this class and learn how to stay legal, practicing, and in compliance with fair housing laws! [Flyer!](#)
