Florida Realtors® Form Simplicity is a new forms program available as a FREE member benefit to all Florida Realtors®. Form Simplicity was designed to be powerful, yet easy to learn and use, saving Realtors® time. Learn to print blank forms without creating a transaction, use MLS import and auto population to save typing time, easily develop powerful Form Packages, archive your transactions for long-term storage, and integrate your own customized files. **How can Brokers benefit from this new service?** Access your agent’s transactions. Create brokerage-wide packages and clauses. Add your forms to the library. Control which forms are available to your agents. And much more! [Flyer.](#)
